

COURAGEOUS CONVERSATIONS:

Putting Diversity & Inclusion Into Action

As communicators and business leaders, we have an important role in advancing diversity, equality and inclusion within our communities. Recent events have challenged companies, organizations, and individuals to take a deeper look at D&I.

PRSA New Jersey, in partnership with the New Jersey YMCA State Alliance, is hosting a series of webinars on hot-button D&I topics to explore the impact of diversity in the PR field and throughout various industries. This program will help uncover unconscious biases and practices, as well as ways they impact overall communications and diverse colleagues.

Panelists will share experiences, actionable tips, and practical steps on how to make shifts that can help make an immediate difference.
